NEW BOOKS.

The Newcomes. Memoirs of a most respecta-ble Family, Edited by Arthur Pendenais, Esq. With Hiustrations. New York: M. Doolady

The question is not what is Pendennis is it readable, or not? shall I buy? is it of any account? Thackeray, though dead is immortal, and the question now is what edition of all his works do I prefer, or can afford. Doolady has given us a "Diamond edition," good paper, good style and perfect typography. The minute type reduces the size and cheapens the volume: and will prove acceptable to the readers. of good eyes and no great purses. For sale by W. T. Berry & Co.

HENRY VIII. AND HIS COURT: OF Catharine Part. An Historic Novel. By L. Mulbach Authoreus of 'Frederick the Great and His Court, etc. Fram the German, by Rev. H. N. Pierce, D. D. New York: D. Appleton & Co.

In the field of historical romance Louisa Mulbach is without a living rival. She has founded upon the courts of her own tongue and peoples a series of novels which have made her fame secure; and in going to the Court of England has snatched from its history, a character and a period most admirably suited to her purpose. The result, in the book before us, will prove still more acceptable to English and American readers. For sale by W. T. Berry & Co.

Louisa of Pausola and Hen Times. An his torical Novel. By L. Mulbach, authorses, etc. etc. Translated from the German, by F. Jor-dan. New York: D. Appleton & Co., 1867. This is another of those absorbing romances, based upon the Court society and events of modern times, which as a garnishing to history, has rendered the author one of the most popular of living novelists. For sale by W. T. Berry & Co. CHRISTIANITY AND ITS COSPLICTS, ANCIENT AND MODERN. By E. E. Marcy, A. M. New York: D. Appleton & Co. 1867.

A controversial work, designed to uphold the faith and practice of the Holy Catholic Church—and tracing the strifes sectarianism and dissensions among Christian believers to a departure from the "Mother Church." It spares neither Paritanism nor Spiritualism, and is a book which the true investigator of the times will read with interest. For sale by W. T. Berry & Co.

THE CULTURE DEMANDED BY MODERN LIFE. Compiled by E. L. Youmans. New York: D. Appleton & Co. 1867. This is a collection of addresses and claims of scientific education. It, of

course, treats upon one of those undemonstrable subjects which have been the theme of discussion since the invention of letters and will so continue to the end of time. We shall reach a solution which, like the "binomial theorm," will be universally received. This volume contains the thoughts of great men, in science, in what we call philosophy, and as teachers. They may or may not be worth anything, as the public shall accept and reduce them to practice, or reject them altogether. For sale by W. T. Berry & Co.

Fig Above Russes. A Novel. By Mrs. J. H. Biddell. Philadelphia: J. B. Lippincott & Mrs. J. H. R. has produced several previous works of fiction, but nothing tostartle by its brilliancy, or entrance by its beauty. This one is a story of country life in England, with the mistakes of apeing fashionable follies and rascalities. Mrs. J. H. R. has not laid the cis-Atlantic people under very great obligations to her. For sale by W. T. Berry & Co. THE INVISIBLES. As Explanation of Phe-nomena Commonly Called Spiritual. Phila-delphia: J. B. Lippincett & Co. 1807.

The author is nameless, and his subject worthless. The book can profit no one but such as may have gone crazy upon a matter, which, if it be real at all, is above the grasp of any sane mind. For sale by W. T. Berry & Co.

Binix Trachisms in Navung. By Rev. Hugh Macmillan. New York: D. Appleton A Co. The name of this volume indicates it contents. It is devotional and instruc-

tive; exhuberant in language, fervid in style, and good in tons. For sale by W. T. Berry & Co.

FATREES AND SONS. A Novel, By Ivan Serg-beievitch Turgenef. Translated from the Russian, by Eugene Schuyler. New York. Lerpoldt & Holt. 1867. Russian literature in this country is

somewhat rare. Any book from that quarter is accepted as something of a cariosity. The one before us is a picture of Russian life and institutions—considered at home remarkably fine—and as such possesses real interest to the American reader. For sale by W. T. Berry can reader. For sale by W. T. Berry & Co.

Prace and Orner Poess. By John J. White Philadelphia: J. B. Lippincott & Co. 1867 This little book of poems will amply compensate the time given to its reading. It is contemplative and practical to a degree unusual with our American poets, and may be the beginning of a renewal of that style of poetry which reached its best efforts in the better days of English literature. For sale by W. T. Berry & Co. SORGHUM AND ITS PRODUCTS. An account of recent investigations concerning the value of sorghum in sugar production, together with a description of a new method of making sogar and refining syrap from this plant. Adapted to common use. By F. L. Stewart. Philadelphia: J. B. Lippincott & Co. 1507.

This is a treatise on a subject of much interest to Tennessee farmers. The author shows that the sorghum cane contains as large a proportion of chrystalized Louisiana; and gives the means of getting it out. He is a practical farmer

himself, and the book may be of great value to others. For sale by W. T. Berry & Co.

Universal Severage. Preset Severage. By a Republicae, (not a "Radical.") Philadel-phia; J. B. Lappincott & Co. 1867. This is a small book, calmly discussing most important and interesting subject. The writer endeavors to show that suffrage ought to be qualified, and not unqualified and universal. He also combats the theory of women suffrage. I embodies a clear and strong argument upon these questions, which all should read. For sale by W. T. Berry & Co.

RAYMOND'S HEROINE. A Novel. New York; Harper & Brothers. 1867. We have nothing to say of this book. For sale by W. T. Berry & Co. Nor a Hang. A Novel. By Mrs. Elizabeth Lofton Pugh, of Louisiana. New York: Ble-tock & Co., 1867.

This is number one of a "Library o Select Novels by Southern Authors, which Blelock & Co. have commenced to publish. Mrs. Pugh has wrought a simple but affecting story of domestic life, inmixed with war, and refreshing by reason of its unstudied naturalness. We hail this as the beginning of a series from her pen, and an encouragement to the many in the South, who are so capable of making fame for themselves and their section in the paths of authorship. For sale by W. T. Berry & Co.

THE BANKETPT LAW, with Orders and Forms-New York: Harper & Brothers, 1867. This contains the act to establish a uniform system of bankruptcy, with general orders and the forms of proceeding, as promulgated by the Supreme Court of the United States. It is indispensable to every lawyer, and will be useful to all who design going into bankruptey. For sale by W. T. Berry & Co.
